EXPERIENCE

PitchX Real Estate Bloomington, IN November 2023
Technical Lead

- Led the development of a scalable platform that empowers clients to build customized networks of real estate professionals, streamlining resource discovery and team-based client support for investors nationwide
- Built a robust platform infrastructure that handles rapid user growth and seamlessly integrates with diverse third-party services, ensuring smooth performance and future expansion

Subaru of Indiana Automotive, Inc. Lafayette, IN May 2023 – August 2023
Supply Chain Intern

- Conducted material control analysis to optimize inventory management and procurement, resulting in a 10% reduction in inventory costs
- Developed PowerBI dashboard to extract and analyze key performance indicators, enabling data-driven decision-making and a 5% increase in production efficiency
- Assessed faults in ERP system, specifically with goods movements and missed shipments, identified \$7M in potential savings, and presented findings to company executives, leading to the implementation of a new system that reduced shipping errors by 20%

Dealerware, LLC Austin, TX May 2022 – August 2022
Operations Intern

- Automated revenue reporting for \$250,000 in sales using a custom VBA macro, streamlining accessibility by integrating it into a user-friendly form for responsible personnel
- Enhanced data accessibility and analysis through Tableau dashboards, streamlining data integration with Salesforce and enabling data-driven decision making
- Generated \$50,000 in potential new business through a targeted market research initiative, contacting 3,000 Canadian dealerships and creating comprehensive client reports
- Contributed to data migration and analysis projects, improving data accessibility and insights for decision-making

Realized Holdings, Inc. Austin, TX January 2020 – August 2021
Data Analyst Intern

- Aggregated and standardized listing data for 50+ real estate private placement offerings, ensuring 99% accuracy and completeness for investment decisions
- Validated 10,000+ employee entries in the master spreadsheet, identifying and correcting 250 data anomalies to maintain data integrity and prevent errors in reporting and analysis

Flamingo Automotive, Inc. Austin, TX May 2016 – August 2020
Technician

- Performed a variety of automotive maintenance tasks, including oil changes, tire rotations, brake repairs, and engine diagnostics, under the supervision of senior technicians

TECHNICAL

-
- HTML/CSS, Python3 (Pandas, NumPy, Matplotlib), R (Tidyverse, ggplot2), Git, MS O365 & BI, Tableau, SAP GUI, MySQL
